

Your love is bright as ever
Even in the shadows
Baby kiss me
Before they turn the lights out
Your heart is glowing
And I'm crashing into you
Baby kiss me
Before they turn the lights out
Before they turn the lights out
Baby love me lights out

In the darkest night hour
I search through the crowd
Your face is all that I see
I've given you everything
Baby, love me lights out
Baby, love me lights out
You can turn my lights out

We don't have forever
Baby daylight's wasting
You better kiss me
Before our time has run out
Nobody sees what we see
They're just hopelessly gazing
Baby take me
Before they turn the lights out
Before our time has run out
Baby love me lights out

In the darkest night hour
I search through the crowd
Your face is all that I see
I've given you everything
Baby, love me lights out
Baby, love me lights out
You can turn my lights out

I love you like XO
You love me like XO
You kill me XO
You love me like XO
All that I see
Give me everything
Baby love me lights out
Baby love me lights out
You can turn my lights out

In the darkest night hour
I search through the crowd
Your face is all that I see
I've given you everything
Baby, love me lights out
