

Be The One

Khalid

Da-da-da, la-da-da
La-da-da, oh-oh-oh

No, I can't slip away in the night
Maybe someday, you'd meet me in the deep end
Hear the voices in my head decide
And you know, I just needed a reason

Should I lay down and die (Yeah, yeah)
Without you by my side? (Yeah, yeah)
Can you hear me cry (Yeah, yeah)
All the things you've said? (Yeah, yeah, yeah)
And then you tell me that I can't get away from the pain
When it's starin' in my face

I can see the tears in your eyes when you look in mine
Told you for the thousandth time, you should be the one for me
Should I stay here tonight? Baby, you decide
Hopin' you'd be the one, you, you could be the one

You could be, be the one, you could be (You could be the one)
Be the one, you could be

You don't seem so far when you're away from me
All you've done for me, all the memories (All that you've done)
When we're far apart and you're not here with me
Need your company like the air I breathe (All that you've done)

Should I lay down and die (Yeah, yeah)
Without you by my side? (Yeah, yeah)
Can you hear me cry (Yeah, yeah)
All the things you've said? (Yeah, yeah, yeah)
And then you tell me that I can't get away from the pain
When it's starin' in my face

I can see the tears in your eyes when you look in mine
Told you for the thousandth time, you should be the one for me
Should I stay here tonight? Baby, you decide
Hopin' you'd be the one, you, you could be the one
I can see the tears in your eyes when you look in mine
Told you for the thousandth time, you should be the one for me
Should I stay here tonight? (Stay here tonight) Baby, you decide
Hopin' you'd be the one (One), you, you could be the one

You could be, be the one, you could be (The one, you could be the one)
Be the one, you could be (You could be the one, yeah)
Be the one, you could be (You could be the one, the one)
Be the one, you could be

Can't ignore the feelings that I
You should know, thousand times
Can't ignore the feelings that I
You should know, thousand times
Can't ignore the feelings that I
You should know, thousand times
Can't ignore the feelings that I
You should know, thousand times

You should know, you should know, oh-oh
