

# Cold Blooded

Khalid

Cold blooded, cold blooded

The way you've been treating me is getting out of hand  
And you walk around like you're so innocent  
I gave you my heart and it melted in your arms  
This isn't a place that I belong

I feel your fear  
Surrounded by your skin  
You feel my heartbeat vibrate so violent  
Inside of your head  
I see it in your eyes  
You're no good for me  
And love is blind

Ooh, and cold blooded, cold blooded  
You want what I'm giving up  
But my love is not enough  
Cold blooded, cold blooded  
And I can't feel my fingertips  
But you feel better when we touch

I lost my sight and you're leading me on  
Is it 'cause you're used to guys always doing you wrong?  
Do you really love me?  
Or is it just revenge?  
Lately you don't seem so genuine

And I feel your fear  
Surrounded by your skin  
You feel my heartbeat vibrate so violent  
Inside of your head  
I see it in your eyes (see it in your eyes)  
That you're no good for me  
And love is blind

Ooh, and cold blooded, cold blooded  
You want what I'm giving up  
But my love is not enough  
Cold blooded, cold blooded  
And I can't feel my fingertips  
But you feel better when we touch

Mmmm

Fill me up, keep me hot  
Use me up of all I've got

I feel your fear  
Surrounded by your skin  
You feel my heartbeat vibrate so violent  
Inside of your head  
I see it in your eyes  
You're no good for me  
And love is blind

Ooh, and cold blooded, cold blooded  
You want what I'm giving up

But my love is not enough  
Cold blooded, cold blooded  
And I can't feel my fingertips  
But you feel better when we touch

Mmmmm

Fill me up, keep me hot  
Use me up of all I've got  
Cold blooded, cold blooded (mmmmm)  
Cold blooded, cold blooded (mmmmm)
