

in plain sight

Khalid

Hidden in front of me

Oh, I
Got so much to tell you
'Cause somethin' ain't right
Should've saw it comin' (Hidden in front of me)
In plain sight
The lies that you sell me
Deceit in your eyes
Should've saw it comin' (Hidden in front of me)

What's the tea 'bout him?
Said he was just a friend
If it's coincidence, baby
Okay, okay, okay, okay
Why's he messaging?
Flirting with you again?
Talkin' 'bout dinner plans, baby
Okay, okay, okay, I'm with that if

If you're the type to sneak around
Then leave the keys on your way out

Oh, I
Got so much to tell you
'Cause somethin' ain't right
Should've saw it comin' (Hidden in front of me)
In plain sight
The lies that you sell me
Deceit in your eyes
Should've saw it comin' (Hidden in front of me)

In plain sight, 'ight, 'ight
You take me for a ride, 'ide (Hidden in front of me)
In plain

You ain't got no shame
Tell me, who do I blame?
When you look me in my face, baby
Don't you think his name? (Think his name)
While I'm out on the road
He was inside our home
He was inside our space, baby
Even wore my coat (He can keep that shit)

If you're the type to sneak around
Then leave the keys on your way out

Oh, I
Got so much to tell you
'Cause somethin' ain't right (Somethin' ain't right)
Should've saw it comin' (Hidden in front of me)
In plain sight
The lies that you sell me
Deceit in your eyes
Should've saw it comin' (Hidden in front of me)

In plain sight, 'ight, 'ight
You take me for a ride, 'ide (Hidden in front of me)
In plain sight, 'ight, 'ight
You take me for a ride, 'ide (Hidden in front of me)
In plain

Okay, okay, okay, okay
Okay, okay, okay, okay
Okay, okay, okay, okay
