Last Call

Khalid

Search for what'll set you free
It's not 2017 anymore
So you trust in a guy like me
To give you everything in store

We'll be ridin' 'round drop-top when it gets hot
Doin' donuts in an empty lot like "Woah"
I'll give you the finer things
Suddenly there's nothing worth comparin' to your soul

Where do we go? Where do we stand?
In between a quick romance, somethin' that'll last long
Where do we go? Will you take my hand?
Meet me for a final dance, somethin' like a last call

If this is worth it, I'm guessin' that we'll both find out in t
he end
You show me purpose and give me presence that I've never met
In this world full of hatred, somehow I feel your innocence
I'll be patient, impatient, and I'll be patient, impatient

We'll be ridin' 'round drop-top when it gets hot
Doin' donuts in an empty lot like "Woah"
I'll give you the finer things
Suddenly there's nothing worth comparin' to your soul

Tell me where do we go
Where do we go? Where do we stand?
In between a quick romance, somethin' that'll last long
('Cause it don't last long, no)
Where do we go? Will you take my hand?
Meet me for a final dance, somethin' like a last call

Where do we start? Where do we start?
Where do we start? Where do we start?
Where do we start? Where do we start?

Tell me where do we go
Where do we go? Where do we stand?
In between a quick romance, somethin' that'll last long
Where do we go? Will you take my hand?
Meet me for a final dance, somethin' like a last call
