

momentary lovers

Khalid

Yeah

As a youngin', gravitated towards the misfits
Little sweet, little edgy, make your tooth split
Smoking in this apple bong, carved a hole in it
Sitting in your parents' attic gettin' stupid lit
Dumb lit
Years since I've seen you last
Time is slipping like the sand in an hourglass
Maybe we can reconnect, we could run it back
I'm a running back, shorty, don't get too attached
If you're cool with that
Are you cool with that?

(And I) Do what you say till the sun goes away

Yeah

(And I) Do what you say

You're my baby for the summer
Blue skies, California
You and I, momentary lovers
It always ends so quick, such a bummer
You're my baby for the summer
Blue skies, California
You and I, momentary lovers
It always ends so quick, such a bummer
Ah, I hope it doesn't
Aye

I got older, found a fix for the bad ones
And it don't make you a saint if you act one
You're my type, fly, dark and handsome
And you're an air sign, that's why I understand ya
But we know that's not enough in the long run
Pull me closer and don't think about the outcome
Say you care, stay until the seasons end
Super rare, I found you and I won't forget
Yeah, yeah
Promise that I won't forget

(And I) Do what you say till the sun goes away

Yeah

(And I) Do what you say

You're my baby for the summer
Blue skies, California
You and I, momentary lovers
It always ends so quick, such a bummer
You're my baby for the summer
Blue skies, California
You and I, momentary lovers
It always ends so quick, such a bummer
Ah, I hope it doesn't (Oh)
Aye

Ah, I hope it doesn't (Yeah, yeah)

Aye (Yeah)
