

The Ways

Khalid

Most of them gon' talk, I know, I know
Most of them gon' fall, I know, I know
We gon' bet it all, I know-ow-ow
We gon' bet it all, I know-ow

Power girl, I really wanna know your ways
I really wanna know your ways
I really wanna know your ways
I really wanna know your ways
I really wanna power girl
You been runnin' through my section all day
You been runnin' through my mind all day
All day, all day, all day, all day, yeah, uh

Somethin' in the way you move
Radion beams castin' vibrant views
Pick me up when I fall down and out
Dust me off and show me about you
Show me that I'll never fly alone
I fucked up so many times, but I still have you
Show me how you do it like that
Carryin' a brother is no easy like that

I know most of them gon' talk, I know, I know
Most of them gon' fall, I know, I know
We gon' bet it all, I know-ow-ow
We gon' bet it all, I know-ow

Power girl, I really wanna know your ways
I really wanna know your ways
I really wanna know your ways
I really wanna know your ways
(Wanna know, wanna know)
I really wanna power girl
You been runnin' through my section all day
You been runnin' through my mind all day
All day, all day, all day, all day, yeah, uh

Your body and your mind is your contribution
I'm here to give you love and never lose ya (lose)
Power girl, power girl
(If I had you, I'd travel right here for you)
Power girl, power girl
(Let me show you what it do, ayy)
Workin' on me and you all day (all day)
Makin' sure what we have is safe
Doin' it all
She's over the city (she's over the city)
She go there if she been there (she go there if she been there)
I'm only one nigga (I'm only one nigga)
I can't be everywhere
(But I can take you anywhere, you know I swear)

Power girl, I really wanna know your ways
I really wanna know your ways
I really wanna know your ways
I really wanna know your ways

(Wanna know, wanna know)
I really wanna power girl
You been runnin' through my section all day
You been runnin' through my mind all day
All day, all day, all day, all day, yeah, uh

Power girl, I wanna see some niggas that out in the city
Goin' nowhere, girl, you doin' [?]
Goin' everywhere, girl, you don't need it
Goin' everywhere, what you doin'?
Power girl, why you movin' city?
Do you know, girl, girl, you know the city?
Over the city, over the city

Our girl, yeah she turned it over
