

## Wings From Spine

Khanate

It went down bad  
And it's a sad life  
When angels break  
So easily  
I was bad  
And it's a sad life  
When clean hands go foul  
Help me for the way I am  
Before it wanes  
Forgive me  
Broken angel  
Broken angel  
Would an angel forgive?  
Would I let her?  
I was bad  
And it's a sad life  
When clean hands go foul  
Angels are easily broken  
And I broke one

I broke one because I could  
Broken angel  
Broken angel
