Have you had your dick today?

Is that all? I-I-I'm so bored (why isn't anyone dancing, darling? why isn't anyone dancing, darling?)
Where is there something exciting going on? (so boring, boring, boring)
Are we having fun yet? (why isn't anyone dancing?)
Is this all you have to offer?
Who are you, again? I said, who are you, again? (I don't know who are these people, who are these people?)
I never liked you anyway (Don't, Don't, Don't touch my dress)
No, you may not sit at my table (No, no, never, back away, I'm leaving)
Wake me when you're done, and don't make a mess!
