

## Mirror Mirror (Skit)

**Khia**

Mirror, mirror on the wall  
Who's the goddess above them all?

Well, you are my dear

[\*laughs\*] just checking, just checking!  
But Fairy Godmother?

Yes?

Oh, never mind

"Mind-never"

I know what you're thinking, so now is the time  
He knows what your thinking, and he thinks it's just fine

Really?

Well of course, let's not be delayed

[\*laughs\*] Tired and Through

Look in the mirror, what do you see?  
A glow so bright! In love are we?

Maybe, "Lovelocs"

"Locs, Maybe"?

There's no such thing as maybe. The eyes don't lie  
Your love has reached, and he soon shall reply

Really? I mean it's been a long time

Time? Time doesn't exist in love, with love there is no time  
Communicate with him, using your psychic eyes

Hmmm. Well ok

Whatever that is if you say so

No! If you say so  
So, shall it be

Then so it is...
