

My X

Khia

My X [x15]

Don't wanna lose my focus
But it's hard for me to concentrate (I can't concentrate, yeah)

Can't get you outta my head
See it's something that you're doing to me (I just can't shake it)

(Feelings)

I'm trying to hard to block these emotions I'm (feeling)
And It's uncontrollable I don't wanna keep feeling, like I'm missing
Your love (your love), Your love (ohh)

I'm not supposed to wanna, wanna see you
I'm not supposed to wanna, wanna suck you
I'm not supposed to wanna, but I really wanna
I'm not supposed to wanna, love

My Ex, Ex, Ex, No
My Ex, Ex, Ex, Love
My Ex, Ex, Ex, No
My Ex, Ex, Ex, No

I'm trying to kick this habit
But you going through withdrawals (He's got me fiending)
And I know he's no good for me
But I still pick up every single call (I'm not complaining)

(Feelings)

I'm trying to hard to block these emotions I'm (feeling)
And It's uncontrollable, I don't wanna keep feeling
Like I'm missing your love (your love)
Your love (ohh)

I'm not supposed to wanna, wanna see you (I'm not suppose to wanna)
I'm not supposed to wanna, wanna suck you
I'm not supposed to wanna, but I really wanna
