Khia

Is it on? Is it on honey? Is this thing recording? What's up YoutubeLand, TwitterLand, InstagramLand, Snapchat, Grindr, Scruff, BGC, Jack'd, Facebook, Periscope, and last but not least... Every single one of my bitches, ChristianMingle, and the lands all across the land. This is your girl, TS Madison, and I am coming to you loud, live, and in color from the marvelous chateau. And baby, tonight we have the ThugMisses herself in the house. Miss Khia baby. Khia, what do you got to say to the girls?

Next caller bitch, Stop calling bitch

Bitch you callin talkin yo shit
Like I'm gon' really sit here and listen to you
You bitch, you bitch, you bitch
Get a word in you wish
All that hatin that you do
Bitch you really just need to quit
'Cause you ain't talkin bout nothin
You lurkin stalkin ass bitch
All that flexin for the gram
Stop it hoe you needa quit
All that typin that you doin

Like I'm gon' really sit and read it
You usin up all my data
And fuckin up all my minutes
A fuck-nigga will neva hit it
A bitch nigga I never see
So really there is no reason
For you to be callin me
Swipe left, thumb down, first sign of hate
You get deleted
Bitch you blocked, I'm unfriendin
Wasn't your friend in the beginnin
Ain't no stoppin Motor Mouf
You best believe it bitch I'm winnin
Zero followings bitch
I don't follow hoes I lead 'em
While you broke ass bitches
Sittin, hatin on the queen
All yo long ass messages
I'm sittin too high to see 'em
