So she hopped up out of her bed
Snatched the rollers out of her head
And off to the club, she sped (sped, sped)

She had to take a shot of moonshine
Thought her and her man was just fine
This mood then blew the whole high (high, high)

How could cheat on a woman that so fine?
This nigga then lost his whole mine
Sure hope this news was lie (uh, oh!)

See Rooster busting in (busting in), through the club (club)
Her eyes on her man, hugged up (uh, oh)

You better grab your purse when you see her
With Rooster's man, you sure wanna be here?
And if you with him, you damn sure better leave him (Leave, Leave)

You can't slip away from her gun
And when you see the shoes you better run!
The outcome has never been fun! (Fun, Fun)

And if you here tonight, you 'bout to see
She'll leave him dead in the street (Uh, oh!)
