

Alright!
Khontkar RedBully!
They want me dead man!
They wanna see me dead!
That's not right
That's not cool
I'm the dopest in the game mothafucka!

Fuck all these men for being ignored
Throw that the company
Fuck all these pussies for being tasty
I wrote that symphony
Lookin for time searchin my patience all I see crumblin
Look up the sky open your ears listen me closely
Bunch of the years study and study!
I just want live!
Bunch of the kills front of the microphone!
Just paying my bills. Now seen the future
Bottles on bottles muzzletoff gaining some trophies, prophets
Now on my arm my duchess I met a god in my shelter!
Smokin' just weed in my whole life
Grindin' so hard but shine right
Nobodi wanna see me under a bright light!
That's not my first time watchin the front line

Same figures everytime!
Same bitches everytime!
That's not my first time watchin the front line
Same bitches everytime!

Top of the world yeah I'm comin'
(I'm callin)
I'm callin the world that I'm comin
Bring that to me I know what I'm doin
(Bitches knows too)
Haters just wanna see me fallin
(That's not cool)

That's never gets old
I never gonna change
I never get tired of being dope
You don't wanna problems with me boy
I really got my tool with me!

Fuck all these men I'm savin the day
I need that guwap I on give a fuck I get either way
Bunch of a hoes around dancing my dopest sound. (Dopest Sound)
I'm with the money baby! They tryanna catch me now
Look at my wrists I'm wearing rollie now!
Check out my closet all of mine yeah! I'm with the Gucci Clan!
Faces are going down! (Faces are goin down)
Sniffing that product now partying all around!
Boy you don't wanna problems with me! (You don't wanna problem)
I really got my tool with me!
Gun spark! on the streets just gun talk
Boy you really don't wanna see me under a bright light
But bitches got me under a sun light

They now which better than which type
All I do is shinin I told ya freaks comin out now cuz sun goes down
Boy you don't even know what is bad life!
No switching lines
Switchin bitches just no switchin lines

Top of the world yeah I'm comin'
(I'm callin)
I'm callin the world that I'm comin
Bring that to me I know what I'm doin
(Bitches knows too)
Haters just wanna see me fallin
(That's not cool)

That's never gets old
I never gonna change
I never get tired of being dope
You don't wanna problems with me boy
I really got my tool with me!
