

# ICY CHAINS

Khontkar

She loves me 'cause I got that check  
Bitch better play with my dick  
I got so many icy chains  
And I'm layin' naked in my bed

She loves me 'cause I got that check  
Bitch better play with my dick  
I got so many icy chains  
And I'm layin' naked in my bed

Neck frizzed like I'm Omarion  
Yeah, and I got bitch with plastics  
She fucks me every night and every morning  
Money showering 'cause I'm that rich  
Baby, stop please, it's about me 'cause you not really love me  
It can take some time I get it, but

She loves me 'cause I got that check  
Bitch better play with my dick  
I got so many icy chains  
And I'm layin' naked in my bed

She loves me 'cause I got that check  
Bitch better play with my dick  
I got so many icy chains  
And I'm layin' naked in my bed

I sent both my bitches home in an Uber pool  
Brand new coupe, Forgiato big as a hula hoop  
You got that gushy gushy, sound like a whoopee cushion  
I took that bitch to Champs-Élysées out from the hoods in Brooklyn  
She ride that pole like a pro, she's no amateur  
My diamonds white from Africa like Johannesburg  
I stole them babies from my plug, no amber alert  
Niggas wanna hang, better call up my manager first  
Expensive denim  
Cross patches leather  
Truth serum in the lean, she don't matter  
AMG Mercedes, whip it like my old Saturn  
I'm with the same gang, my same niggas since '07

She loves me 'cause I got that check  
Bitch better play with my dick  
I got so many icy chains  
And I'm layin' naked in my bed

She loves me 'cause I got that check  
Bitch better play with my dick  
I got so many icy chains  
And I'm layin' naked in my bed
