We gonn make it multiplayer
If the game ain't fair
Better play it multiplayer

Everybody be cool this is a bank robbery
Y'all 'bout to see that monster inside of me
Somebody better call nine one one Im loosin it
You better run run run niggaaaaa its too late now
Soo I'm gonna break those 2 chainz now
I got 2 mic 2 playa 1 game now
Lets get it started multiplaya
Pop that pussy right here right now girl
I'm comin' you betta hold on tight
Imma bite chu white hoe you're hot tho but
This ain't gonna save ya from my hot dog
What's wrong mami don't you like my hot dog
Imma fuck you right like Han Solo
I ride slow 808 blows Izmir Tripoli San Paulo
Everybody know everybody know
Imma motherfuckin G from the head to the toe
Why did you fall go with the flow girl
Clap that ass and lay down on the floor

Fuck everything
I ain't losin' games call me the king
Ballin like James yeap diggin it
Bix on the side like JR Smith
Shoot after shoot all 3's in
You don't know the story its behind the scene
We came from the streets by any means
Robbin is necessarily so give me that watch mothafucka
I'm feedin my kids, takin' these risks
Takin' my dreams overseas and the shit
All kind of choppas is ready for drill
Catchin' bodies no lie young boy thats what it is
She callin' me in and then opps comin' in
Ain't scared both hands in the game
Fuckin their bitches and switching damn lanes
Nobody cares what ya'll doin' in the binnu
We always kickin' yo ass
She shakin that booty for me
She suckin that du-di for me
Duty calls makin hard songs all day
They think im foony, they actin corny
Watchin' us like a movie
Jealous ass homies, bitches loves me
