

I'm done
I feel nothing less, nothing more
I feel nothing less, nothing more
Ride it, till I feel your love
Fallin', I know what you want
Striving, I know what to do
I know what to do, yeah I know what to do
I know you want to prove some things I got for you
You just want me to prove the love I got for you
You just wanna prove you the one and I want you
I know what to do, yeah I know what to do

(I'mma roll, I'mma roll...)
I'mma roll my weed up
(I'mma roll my weed up)
I'mma roll my weed up
If you wanna got into my room
You just gotta roll my weed up
Then I gotta fuck some bitches too
Then I gotta roll my weed up
(I'mma roll, I'mma roll...)
I'mma roll my weed up
(I'mma roll my weed up)
I'mma roll my weed up
If you wanna got into my room
You just gotta roll my weed up
Then I gotta fuck some bitches too
Then I gotta roll my weed up

I'mma roll, I'mma roll...
(Roll up, roll up, roll up)
I'mma roll my weed up
(Roll up, roll up, roll up)
