Dearest Alfred

Khruangbin

Where are you now?
We hardly see or speak anymore
Your letter is the best gift

I am happy, happy when you're here
Tell me about your friends
Write to me soon

Your letter is the best gift
Your letter is the best gift

Can you imagine my joy?
I received your wonderful letter

Your letter is the best gift
Your letter is the best gift

I love my joy very much
I've received another chance in earnest

Your letter is the best gift
I am so glad that you are here

Your letter is the best gift
Your letter is the best gift
Your letter is the best gift
Your letter is the best gift
