

May Ninth

Khruangbin

Waiting for May to come
Hoping for the rain
A memory held too long
Just another day

Oh, what it could be
Oh, what a dream to me

Memory burned and gone
A multicolored grey
Waiting for May to come
Happy for the rain

Oh, what it could be
Oh, what a dream to me

Waiting for May to come
Hoping for the rain
A memory held too long
Just another day

Oh, what it could be
Oh, what a dream

Memory burned and gone
A multicolored grey
Waiting for May to me come
Happy for the rain

Memory burned and gone
A multicolored grey
