

Ladylike.

Kiana Ledé

Oh
Yeah
Oh yeah
Oh yeah
Uh

This ain't ladylike to say the shit I wanna say
If I want another, I still gotta make you wait
Do I bite my tongue, be humble when I feel a way
'Cause if a bitch get out of line, I put her in her place
This ain't ladylike to want you, and I need you, babe
I see your messages but don't hit you back right away
Don't want nothin' serious, sometimes I need my space
It's hard to make time when I'm just tryna win the race

My way or no deal
Money over feels
Too hungry for a salad, bitch, I need me a meal
If I get too real (Too real), yeah
Do I lose my appeal? No, no

To be a lady, ayy, ayy
To be a lady, ayy, ayy
Even if sometimes I'm not actin' like one
But sometimes I'm not ladylike
To be a lady, ayy, ayy
To be a lady, ayy, ayy
Even if sometimes I'm not actin' like, one
But sometimes I'm not ladylike

Is it ladylike to sit with my legs openin'?
Give you permission when I'm sneakin' out to slide you in
Do I bite my tongue when they think everything's been said
What's in my head gon' keep you head up 'til we in the bed
I'm sweet but I've got attitude
Big mouth but my ass is fat, too
If you want me, it won't matter to you
You ever leave, know you're comin' back soon

My way or no deal
Too hungry for a salad, bitch, I need me a meal
If I get too real (Too real), yeah
Do I lose my appeal? Woah, oh

To be a lady, ayy, ayy
To be a lady, ayy, ayy
Even if sometimes I'm not actin' like, one
But sometimes I'm not ladylike
To be a lady, ayy, ayy (To be)
To be a lady, ayy, ayy (A lady)
Even if sometimes I'm not actin' like, one
But sometimes I'm not ladylike

To be a lady (Like)
To be a lady (Like)
To be a lady (Like)
Sometimes (To be a lady)

Hmm, hmm, hmm, hmm, hmm, hmm, hmm, hmm
To be a lady (Like)
To be a lady (Like)
Hmm, hmm, hmm, hmm, hmm, hmm, hmm, hmm
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
Hmm, hmm, hmm, hmm, hmm, hmm, hmm, hmm
Hmm, hmm, hmm, hmm, hmm, hmm, hmm, hmm
Oh, oh
