

I could tell that shit is changing
You ain't gotta say it
I could tell by how you moving
Only do shit on occasion
You went and took the script and flipped it
Nigga, I ain't want this
It was me who you was chasing
Now you acting like I'm basic

You got me fucked up
You got me fucked up
I went and made you
Just so you'd switch up
The type of love I need is 50/50
Oh, baby, tell me if you with it or if you ain't with me

'Cause I need to know this now
If not then I'm gone
I'll find me someone else
Who won't do me wrong
Won't have you waste my time
If so, I'll go
But you gotta let me know
You gotta let me know

I need to know this now
If not then I'm gone
I'll find me someone else
Who won't do me wrong
Won't have you waste my time
If so, I'll go
But you gotta let me know
You gotta let me know

Yeah, if you want that flimflam shit, just say that
You know I don't even play that
Dogged you out in the group chat
Give you to the streets, no take backs

Nigga you a dog, nigga you fraud
Nigga, I don't fuck with ya, no way
Gotta know what's up with you, you a dub nigga
If you keep playing them games

You got me fucked up

Give me affection
Like I give to ya
The type of love I need is 50/50
Oh, baby, tell me if you with it or if you ain't with me

'Cause I need to know this now
If not then I'm gone
I'll find me someone else
Who won't do me wrong
Won't have you waste my time
If so, I'll go

But you gotta let me know
You gotta let me know

I need to know this now
If not then I'm gone
I'll find me someone else
Who won't do me wrong
Won't have you waste my time
If so, I'll go
But you gotta let me know
You gotta let me know
