

# Black Heart

Kick Axe

It feels like a dream  
that never seems to end  
and i wanna scream  
but i send it out as love

Do you take it away  
take it away from me

And i realise that now you are gone  
Been set free

Broken heart, black heart

I never knew it could  
get this dark  
black heart

I never knew it could be so hard

You have a place anytime a memories  
You Showed me the way  
And i long for those dayd

Now there's the lonely nights  
Just sharing up with the skies

I wait for a sign  
I still can't believe that you're gone

(chorus)

No where to run,  
you know i got no where to hide  
I can't escape the pain no long, i've tried

I need you, need you
