knock, kn-knock, knock, kn-knock, kn-knock
knock knock, knock knock
I can never tell

Hold up

knock knock
knock knock talking and jumping in love
knock knock knock knock crazy
knock knock knock knock
First love, falling in love, falling in love, yeah
Deep dive, knock knock knock, yeah
Oh, baby, so can you feel it?
knock start it all, make it love (Oh-oh)

knock knock in my head
knock knock in my head
knock knock in my head (Crazy)
knockknockknock knock (Oh)
Knock, kn-knock, kn-knock
knock knock, kn-knock, knock, kn-knock, kn-knock
knock knock, knock knock knock knock
I can never tell

Knock, kn-knock, kn-knock
All day long, knock, kn-knock, knock, kn-knock, kn-knock
You keep knocking, look at me, look at me over there
(Yeah, just call whenever you need me, uh huh)
Knock, kn-knock, kn-knock (Let's go)

Even if I deny it
It has to be you, yeah
No one else will do
So can I kick it? Yeah
So fresh, so clean, honestly, it's dizzying
My heart throws its own party, party
Should I just confess?
Not yet, oh, woah

My heart's energy is about to overflow, oh
I can't handle it, so watch me
You got it, we got it, oh

That fleeting moment is in my head
It keeps getting clearer in my head
I want to get closer in my head
It makes my heart race
Knock, kn-knock, kn-knock
All day long, knock, kn-knock, knock, kn-knock, kn-knock
You keep knocking, look at me, look at me over there
I can never tell

Uh, yeah, let's go

It's the first time I feel this way
It still feels unfamiliar, yeah (What you know, what you know, yeah)
Why do I keep falling
Deeper every day, yeah (All about you)
So crazy, so break, so loud, kill this night
My ears are burning, heat rising up
Sweet sugar rush, it crashes in, oh, my, oh, my
Explosive chemistry, driving me crazy

When I see you, I hear a rhythm, oh
It won't stop, so watch me
You got it, we got it, oh

That fleeting moment is in my head
It keeps getting clearer in my head
I want to get closer in my head
It makes my heart race
Knock, kn-knock, kn-knock
All day long, knock, kn-knock, knock, kn-knock, kn-knock
You keep knocking, look at me, look at me over there
I can never tell

Hold up

No need to be so serious
Just keep talking and jumping in love
I know it all in my head, but my heart is already crazy
I can't even start a conversation easily
First love, falling in love, falling in love, yeah
Deep dive, straight to you, straight to you, yeah
Oh, baby, so can you feel it?
Just like this, start it all, make it love (Oh-oh)

You won't leave, you're in my head
You stir it up, mess it up, in my head
You lock yourself in my head (Crazy)
It electrifies me (Oh)
Knock, kn-knock, kn-knock
All day long, knock, kn-knock, knock, kn-knock, kn-knock
You keep knocking, look at me, look at me over there
I can never tell
