

# Bite Me B\*tch

Kid Buu

On that bullshit, bitch, I got no control

Ayy, bitch, step back, my wrist might bite (Bite)

Diamonds wet, my wrist bust [?] (Ayy)

Bitch, step back, my wrist might bite (Bite)

Bitch, step back, my wrist might bite (Ayy)

Makin' my money illegal, uh

Bitch, I'm fly like a eagle, yeah

Bitch, I'm fly like a seagull

You can get shot just like a free throw, uh

You can get shot just like a sequel

Gotta [?], I see the people

Bust in her face, she got cum in her pupil

She say, "I love you, I don't wanna lose you"

Pull up in a loaded, she pull up in a zuzu

With my gorillaz, not talkin' no zoo-zoo

Whippin' them birds, I'm not talkin' not Froot Loops

My diamonds bite, I think they got rabies too

Yeah, bitch, step back, my wrist might bite (Bite)

Diamonds wet, my wrist bust [?] (Ayy)

Bitch, step back, my wrist might bite (Bite)

Bitch, step back, my wrist might bite (Ayy)
