

Blunt Pt.2

Kid Buu

Uh, yeah
[?] bitch, back the fuck
It's about to really drill the fuck up, bitch
I'm 'bout to tell niggas how to really turn up on these niggas,
pipe up
Give me like five feet back, I'm 'bout to drill the fuck up
I'll pull up in a fuckin' [?]
Ayy, ayy, ayy, ayy
Yeah, yeah
Ayy, ayy, ayy, ayy
Yeah, yeah (Uh)
Ayy, ayy, ayy, ayy (Ooh, I'm 'bout to drill the fuck up)
Yeah, yeah
Ayy, ayy, ayy, ayy (These niggas talk shit)
Ayy, ayy, ayy, ayy (Yeah, yeah)

These niggas talk shit until they get popped
And put my nigga down, came in with the Glock
I'm with a bitch and she geekin', got her jaw locked
I told that bitch, "I'm with the gang, so I go where I want"
Yeah, I'm with the gang, bitch, so I go where I want
Yeah, I'm with the gang, bitch, yeah, I go where I want
Said I'm with the gang, bitch, yeah, I go where I want
I'm with the gang, bitch, yeah, I go where I want
I got big bands, bitch, so I do what I want

Better have shotty you ride in the front
Better suck dick if you gonna pull up
Got some real ones that keep that shit tucked
We send the addy, they never pull up
These niggas off xans, it got 'em too stuck
I'm off a perc, I'm fuckin' shit up
Christian Dior, I'm drippin' too much
Safety is off, don't you run up

These niggas talk shit until they get popped
And put my nigga down, came in with the Glock
I'm with a bitch and she geekin', got her jaw locked
I told that bitch, "I'm with the gang, so I go where I want"
Yeah, I'm with the gang, bitch, so I go where I want
Yeah, I'm with the gang, bitch, yeah I go where I want
Said I'm with the gang, bitch, yeah I go where I want
