We roll around with sticks in the trunk  
You can get shot if you try somethin' dumb  
Bitch, I cash out, I don't need no fronts  
I'm just tryna fuck, bitches say I'm upfront  
I ride around strapped but I don't buckle up  
My slime ride with shotties, he not in the front  
Your bitch wanna kick it, I'm just trying to bunt
