

Chicken Soup

Kid Buu

Soda on the side like my lean is chicken soup
She know I'm a star like the ones that's on my roof
Got money like a Jew so I went and got some jewels
The way that I came up got 'em shocked
I'm Pikachu
I ain't want the Bentley truck so I went and cooked the coupe
Saw your bitch and swept her up
Swear my drip is like a broom
Got a soda on the side like my lean is chicken soup
She know that I'm a star like the ones that's on my roof yeah

She know I'm a star like the ones that's on my roof yeah
(Like ones that's on my roof yeah)

She know I'm a star like the ones that's on my roof yeah
(Drop top Bentley coup yeah)

She know I'm a star like the ones that's on my roof yeah
(With me, shawty ain't rude yeah)

She know I'm a star like the ones that's on my roof yeah
(Dropped by, she'll act like she never knew yah)

Wanna act up get popped like balloon yeah
Fuck boy left in the past like you never knew yuh
Fuck that bitch then act like I never knew yuh
Shooter Bob the builder the way he keep the tool yeah
Pull the toolie they wanna keep piece like they Buddhist
She ain't never seen a foreign
She called it a lootus
Sipping too much lean
I think it got me drooling
On a Percie on a Xan, I think I'm too touched

Soda on the side like my lean is chicken soup
She know I'm a star like the ones that's on my roof
Got money like a Jew so I went and got some jewels
The way that I came up got 'em shocked
I'm Pikachu
