

Day Dreamer

Kid Buu

Woah
Yeah
Woah, yeah
Yeah, woah
Kid Buu a, oh
Kid Buu a, oh
Kid Buu a demon
Yeah, yeah, yeah

I'm wide awake, but I'm living the dream
Way too much bands, can't fit in my jeans
These niggas mad, they not living like me
I'm wide awake, but I'm living the dream
I'm wide awake, but I'm living the dream
Said I'm wide awake, but I'm living the dream (Yeah)

Too deep in my sleep, can't wake me up
Can't count on no nigga, I'm counting my bucks
The top 'Ventador when I'm pulling up
I only see benjis when I'm counting up
Yellow [?] look like a bus
New VVS, make your man envious
Live life like a dream, bitch, you can't wake me up
I took your bitch, make her wan' fuck with us
She all in your head while I'm all in her guts, huh
New bust down and the bezzle go bust
Got big long sheets, but I don't sleep much
Still living my life like I'm living a dream
Yeah, when I'm in New York, I stay at the Dream
[?] bag, Amiri jeans
These niggas really not living like me
Yeah, I'm wide awake, but I'm living the dream
Said I'm wide awake, but I'm living my

Yeah, I'm wide awake, but I'm living the dream
Way too much bands, can't fit in my jeans
These niggas mad, they not living like me
I'm wide awake, but I'm living the dream
I'm wide awake, but I'm living the dream
Said I'm wide awake, but I'm living the dream (Yeah)
