

My Priorities

Kid Buu

Counting up the racks, counting up the racks
Counting up the racks, counting up the racks

I just counted up a check
Six figures on my check
But this shit still not enough for me
But this shit is not enough for me
I need bands, that's my priority
I need more bands, that's my priority
Counting up a check is my priority
Can't focus on no hoes (Oh, no-no-no-no)
I need bands, need bands
I need bands, that's my priority
I need bands, need bands
Counting up a check is my priority

Counting up racks looks like math, that's just the dork in me
New bitch [?] I'm serving pork and beans
[?] call it "Florida Keys"
1, 2, 3, 4, 5, 6, the check got 6 figures
1, 2, 3, 4, 5, 6, I think I got 6 hitters
1, 2, 3, 4, 5, 6, I might go fuck her sister
[?] on my sleeve
Bitch, I'm with the gang, I tatted on my sleeve

I just counted up a check
6 figures on my check
But this shit still not enough for me
But this shit is not enough for me
I need bands, that's my priority
I need more bands, that's my priority
Counting up a check is my priority
Can't focus on no hoes (Oh, no-no-no-no)

Jump up in that pussy like a vamp did
I just checked the tracking on my package, it just landed
No, I did not quit, I was in the cut just like a bandit
Big ass trick will make you do a backflip like gymnastics
I been dripping ever since grade school, bitch, go check my class pics
Bitch, I'm from that FLA, fuck living average
Wake up, I brush diamonds on teeth, fuckboy wake up, wanna be like me
Feel like Soulja Boy cause, nah, you can't do it like me

I just counted up a check
6 figures on my check
But this shit still not enough for me
But this shit is not enough for me
I need bands, that's my priority
I need more bands, that's my priority
Counting up a check is my priority
Can't focus on no hoes
