Not Enough

Kid Buu

Told my plug to front the work, I got you on a back-end
Hit my youngin', told my youngin' we gon' get it crackin'
I'ma hit you back soon as I'ma get them packs in
We gon' set up shop, hit the block and get to trappin'

Ah, not enough bitches on my dick
Not enough commas on my check
Not enough foreigns for my pic
Not enough chains 'round my neck
Nah, not enough bitches on my dick
Not enough commas on my check
Not enough foreigns for my pic
Not enough chains 'round my neck, nah

I need more, I need more
I got J's knockin' at the door
Too many foreigns, I need more
Which one I'm gon' drive? I don't know
Eeny, meeny, miny, moe
It's the Masi', ho, let's go
Diamond chains around my throat
Diamond necklace 'round my throat
All these tats around on my throat
Now your ho, she give me throat
Molly different color stone
My shit came from off a boat
Ah, not enough, I need some more
Yeah, this ice, it did give me pneumonia
Way too many bands, I don't think I could fold up
Real recognize real when I don't know you

Ah, not enough bitches on my dick
Not enough commas on my check
Not enough foreigns for my pic
Not enough chains 'round my neck, nah
