Kid Buu

Fucking with this bitch now  
I think she plastic  
How I broke your heart?  
It's made of plastic  
Why you acting so drastic?  
Crying now, bitch you too dramatic

Fucking with this bitch now  
I think she plastic  
How I broke your heart?  
It's made of plastic  
Why you acting so drastic?  
Crying now, bitch you too dramatic  
Told you we were cool, love  
I was sarcastic  
Fucking with some bitches that are plastic  
9 Millie on me now is plastic  
Way too much cash now I'm using plastic

Killing you softly  
Feelings in a casket  
Never had no feelings baby if you're really asking

Truth hurts, but the love hurts worst  
I'm not the one to use those three words first  
I think she wants for me to leave this earth  
See me take my last breath, body in a hearse  
I'm not the one to break your heart first  
So I'm not the one to blame for all this hurt  
She thought I was the one, now she thinks I'm a jerk  
Got her feelings numb like she's gone off a perc
