

ANIMATE

Kid Cudi

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Let's go

Almighty GloryUs, yeah, you probably heard of us
Women talk they love the Cud, they say I got the Midas touch
And they will blush when I dip past in the rush
Baby say she smell the tree, kush all up in my threads, what
Now I'm feeling better, a trendsetter teach the youth (Yeah)
Show 'em how I never give a fuck 'bout what they do, nah
Marching to my own drum, cooler than your average kid
Baby says she want some, and she wanna have my kids
Loving life, I'm a flashing light, nigga, can not dim me
Crawling out the helllest night, demons tried to kill me
Boss nigga, don't forget I never sweat to small shit
You might think I lost my juice, I can try, my nigga (Oops)
It's a scoop, check my IMDb, you can check the crew
It's Cudi doo, kicking it with Yachty, chop it up, this how artists move
Comic Con, looking yahm, hit the booth, still call it fun
Not this type, my occupation, making things I think of daily

Ooh nah, told you how I do (Come on)
Women like, "Ooh, can I make you my boo?" (Yeah)
Really love the wizard boss, realest, y'all knew (Let's go)
And I animate the life and my mind cool, love it
Love it, love it, gone, when you gon' move (Uh-uh)
Bet you never had a homie, let me have you
Nah-ahh (Yeah), nah-ahh (Yeah)
Nah-ahh (Yeah), nah-ahh (Yeah)

Almighty Glory, looking like a couple dieties
Looking for the moment where I finally leaking BIEs
While I'm still alive, though, my eyes low, blowing tree
Bitch, I'm feeling proper, nigga showstopper overseas
Wish I could remember everything a nigga ever thought
Wish I could remember bad lil momma name but I can not
Open up a window when this song come on 'cause I get hot
Baby tell me what's the name of this place again 'cause I forgot
Know what I'm repping, I bang it 'til it's over
Our reign is never over, that's how I'm ranging rover
My drunk the same as sober, maybe drunk a lil' bit cooler
I walked in that bitch feeling like I was Slick Rick the Ruler
I walked up in that bitch feeling like I was Chip tha Ripper
I feeling like myself again, I'm real tequila sipper
You should be flabbergasted if I spend some time with you
You must have wasn't listening, they told you how I do

Ooh nah, told you how I do (Come on)
Women like, "Ooh, can I make you my boo?" (Yeah)
Really love the wizard boss, realest, y'all knew (Let's go)
And I animate the life and my mind cool, love it
Love it, love it, gone, when you gon' move (Uh-uh)
Bet you never had a homie, let me have you
Nah-ahh (Yeah), nah-ahh (Yeah)
Nah-ahh (Yeah), nah-ahh (Yeah)

Yah-oww-oww-oww, yeah, yeah, yeah, yeah
Yah-oww-oww-oww, yeah, yeah, yeah, yeah
Do it for my city all day, motherfucker, yeah
Do it for my city all day, motherfucker, yeah
Yaw, yaw-yaw, yaw
Cleveland in this bitch, y'all, Cleveland in this bitch, y'all
