Cops can't see him in a hot flash at night, know niggas can't be him
And I'm on 'cause I'm young, bright, insane, on a trip in the meantim
e
M time and we don't try, this is a trip that I gotta do alone, mm
Here we are, no shit, tell the boys we get ripped, rage on
This the cops' world problem, hanging all out my whip, yee-haw
This to bond with my fans, this all of our fix, days long
Cancel my nigga? No, bitch, nah
King Pusha know you ain't hip, yeah (Yeah)
Hear they tryna stop me, hate on my growth (Yeah)
Cudder on the road (Hey-hey), he won't slow (No)
You've seen the boy rage around, don't mean to be mean
But I'm on a high peak level (Yes), well, I'm on the ice in the bezel
, clean (Yeah)

How it goes when you're a damaged man
This is how it goes when you're a damaged man

Serving heat up meaner than your team's is out the gate (Yeah)
Oh man, yeah, I been struggling, dodging these niggas that love to go
hate
Boom-boom, new cannon, been looking, 'bout to go postal, tell me who
relate
And then I'm lost in the freeway, buck ten, thinking 'bout the life I
make, hey, hey (Ah)
Doomed since I left the womb, where I run to?
And it's like I'm in a battle, leakin' from a wound (Yeah)
Praise God, thank you, never left me on my own (No)
Shades, I cover my eyes, my disguise is on (Gone)
Get me pounded, that beer bliss, I'm wildin' (Wildin')
Tryna stay grounded, keep my niggas around me (Yeah)
Sometimes on my dolo
While I pull up with the smooth talk, make that pronto
I'm rubbin' on her body
With my eyes on the road, them toes is hotty (Yeah)

We off, we slide, we ain't scared to die (Let's go)
Speed less, more sex, yeah, we go alive (Nigga)
Yeah, I figured that I'm empty, but I'm on a rise (Yeah)
Take it slow, we don't know, aiming for the light (Woo)
