Dive

Kid Cudi

Hey

Seen the night, that's shawty with the fat back
Movin' to the vibes (Vibes)
Say, "I'm just up in my habitat, playin' little Rat-a-tat
Kicking with my tribe" (Ride)
I'm sayin' it's a known fact, show 'em, nigga, no ask
Sucker for the line (Yeah)
I'm 'bout to get mine, woah, woah, niggas seein' me shine (Dive
)
Catch me baked outside, wanderin' daily, why, why?
Would you let me get behind, baby, just close your eyes (Eyes)
You see we takin' off, leave the stress, no time (Bye)
This ain't televised, see 'em, no surprise, I
Ooh-ooh, ooh, that bod'
Ooh-ooh, ooh, that bod'
Ooh-ooh, I need those fuckin' vibes
Doo-doo-doo-doo, and we ragin' 'til daylight
Things are getting gnarly, got my whiskey by my side
Soarin' through my world and I'm 'bout to take a dive
This is a just a sadness in me, sad times
Just another evening and I'm leanin', oh (Let's get it)
Uh, brodie gon' slack, B-ball, hold your knees up (Uh)
Salute when you see that nigga (Yeah)
Tell 'em, "Go off," when you see him, greet him (Mm)
Talk shit, fuck ya, get another cold one, ice
This my life, all my nights
Walkin' like a disco ball, all the sights, ayy
Ayy, ayy, ayy, ayy (This the story)
Ayy, ayy, ayy, ayy (Woo, of a man)
Ayy, ayy, ayy, ayy (Woo, and you know it)
Ayy, ayy, ayy, ayy (Move, move, just to show)
Slightly paranoid, can't believe I'm semblin' (Yeah)
Nah, bullshit, miss me (Nah, nah)
I color within, within lines
This my fantasy high, sayin' goodbye
I lay at night, it intensifies
