Grave

Kid Cudi

All we had was dark times
Walking on a sad line
Fading out, going up, coming down
Using up my nine lives
Justify the goodbyes
Picture this, looking for a death wish

Life was eating me alive
The devil's got an appetite
I'm wishing for another try
Another try
Another try, oh, why

I stopped running to the grave, oh baby
Just to live another day, no maybes
I've got everything to lose, I'm staying
I'm the only one who's gonna save me
I stopped running to the grave
I stopped running to the grave, oh baby
I stopped running to the grave
I stopped running to the grave, oh baby

Now I'm seeing options
And I wanna opt in
Everything's clearing up, I can see
What it really could be
I'm so glad I'm breathing
Somebody's gotta be watching over me

Life was eating me alive
The devil's got an appetite
I'm wishing for another try
Another try
Another try, oh, why

I stopped running to the grave, oh baby
Just to live another day, no maybes
I've got everything to lose, I'm staying
I'm the only one who's gonna save me
I stopped running to the grave
I stopped running to the grave, oh baby
I stopped running to the grave
I stopped running to the grave, oh baby

Take the moment, make it real
Give me something I can feel
Take the moment, make it real
Give me something I can feel
Yeah

I stopped running to the grave, oh baby
Just to live another day, no maybes
I've got everything to lose, I'm staying
I'm the only one who's gonna save me
I stopped running to the grave
I stopped running to the grave, oh baby
I stopped running to the grave

I stopped running to the grave, oh baby

Oh, oh, whoa-oh, ooh, oh, oh, oh, oh
Oh, oh, whoa-oh, ooh, oh, oh, oh-oh-oh
Oh, oh, whoa-oh, ooh, oh, oh, oh-oh-oh, oh
Oh, oh, whoa-oh, ooh, oh, oh, oh-oh-oh, oh
