

She Knows This

Kid Cudi

Scott, let it go
Don't give 'em the satisfaction
What if I want the satisfaction?

Mm-mm-mm

Three girls step in (Yeah, yeah) and we gon' tear shit up (Uh)
Yeah, they got double cups, so me and my boo got two fat blunts (Yeah)
Roll it up (Gang), ooh, talk about dude, I give two fucks (Fuck)
But we know (Who), truth, dunk on the whole shit, burnin' the burn clips (Na

Now listen while, baby, let me set it off
And you hit it, baby, Kid is such a vision, oh
You're my fix, you's a hit and forever more
Workin' in your sweaty body, love to see it go, ooh-ooh
Take a ride if you like, let's see
Do whatever you like and we (Yeah)
On a mission tonight, ooh-ooh
Live a hell of a life (Yeah)
Someone say they saw that man, ayy
They say, "No, ain't no controllin' him," ayy
Yeah, it's a myth, up in this bitch, no takin' flicks
Come out the torturous bottomless pit
Yeah, I'm reborn and my life is the shit, heaven (Go)

Yeah, gangs of women givin' love and easy sinnin'
Suppose you got two hoes that go both ways, don't know my limit
Know what it is, ballin' to afford just how I'm livin'
Can't ask for better options, just the captain of the ship hittin' it

Yeah, yo, this for my sanity
Some place, some things that you deny
I say you can't judge me, babe, I'm twisted in the brain, no I (Yeah)
See I can't be stressin' (No, no, I can't stress)
I just need my medicine (Yeah baby, I need it)
Baby, come and learn these lessons (Come, baby, and see it)
Been around and around again (Boom-boom, boom-boom)
Cuttin' loose with the drips and them, weed life
This the move, come and tell your group get inside the groove
We at the trippy house, show me how you do
Live a hell of a life
