Kid Dynamite

You didn't connect. What the f**k did you expect? Missed the point. now what's left? Was all that screaming a waste of breath? Woah oh oh...It's nothing (NOTHING NEW!) Woah oh oh...You didn't follow through. GO! The powers that be. They feed on your apathy. Last chance. You missed an opportunity to resist. We'll carry the torch you f**king dropped. I'm getting old but that's no reason to stop.
