Feeling like the shit, put a finger to your moustache.

Grady
Self named nigga, so you can never make me,
I don't need a style every time you see me.

Okay baby, outfit crazy, I don't do much, make you niggas look
lazy,

On the blind side wearing everything you ain't seen.

Okay baby, outfit crazy, even in the dark its clear in HD.
Flyest nigga running through the city like it's safe,
Need a pair of wings, 'cause every time you see me I'm
