Hotel

I said why you over there lookin' at me? While I'm with my girlfriend Why you over there lookin' at me and my girlfriend? Let's take it to the hotel, let's take it to the hotel

I said why you over there lookin'? Got a starin' problem and you fuckin' I know you see my girl, stop frontin' I could tell you up to a lil' somethin', hol'up I'ma play it cool, baby roll one While you make your way and get over here My girl ain't down then it's over Just tell her that she look good when I'm over there In the first play, pour one up Baby don't be too thirsty Groupie love ain't ever gon' work See hoes ain't loyal and never keep it lowkey That ain't alright I'ma take a shot, couple shots thru the night Tell a joke, keep it fun, make her feel it's alright Give you the game wholesale And bet a hundred that I take 'em to the hotel

I said why you over there lookin' at me? While I'm with my girlfriend Why you over there lookin' at me and my girlfriend? Let's take it to the hotel, let's take it to the hotel Take it to the hotel, baby leave with me Know I got a penthouse suite I said why you over there lookin' at me? While I'm with my girlfriend

It's kinda hard when I see you lookin' over here With them eyes I got a girl but I'm feelin' your body So I'ma have to just play both sides I hope she don't come over here Cause I'm with my girl, you know I love her I got two of my bitches in the club And they about each other, oh no

But a nigga never Paranoid You fuckin' with a man not a little boy What? I could barley hear your little voice In the club but your body makin' all the noise Clap it up, stack it up Where your purse? Just pack it up Grab her hand, tell her we should go now If you really wanna take this party to the hotel

I said why you over there lookin' at me? While I'm with my girlfriend Why you over there lookin' at me and my girlfriend? Let's take it to the hotel, let's take it to the hotel Take it to the hotel, baby leave with me Know I got a penthouse suite I said why you over there lookin' at me?
