Just Do It

Kid Ink

Okay – if you ain't with it, baby, I'mma keep it movin'
'Cause in a minute, we about to make a movie
You're a freak, bet you didn't think I knew it
On the real, might as well just do it...
Do, do it... might as well just do it...
Do, do it... might as well just do it...
You're a freak, bet you didn't think I knew it
On the real, might as well just do it...

All this money I've been spendin' on this Moet
So you and all your homies could get caught up in the moment
Don't you try and act like you already know just what my motive
s are
I know fuckin' with me in the morning, you'll be callin' off...
Your job – end of the night, callin' to God, baby, amen
Puttin' ideas in your head, we could leave any time, say when
Keep doin' you, gon' do it, you feel the urge to do somethin'
I've been drunk, still gettin' bottles like I'm tryna prove som
ethin'
Way that we've been goin' in, it's no way you choosin'
Party past 2AM, 'bout to make a movie
It's Hangover 4 like we in Vegas, no roofies
My feet to the ground, by my head where the roof is

(Do it) do it (do it, do it) do it (do it)
(Do it) do it (do it) – do it (do it)
(Do it) do it (do, do, do it) – do it (do it) do it
Do it... just do it...

I ain't tryna put no pressure on a blessing
I've just gotta let you know what you're workin' with is specia
l
Don't just let it go to waste without givin' a little effort ba
ck
Teacher, you could give these good girls a fuckin' lesson
Hear me? Off that loud like a Hemi – little bit of coke, little
 Henny
All she need for the turn-up, make all them other bitches envy
Keep goin' 'til everything empty – at first she was actin' iffy
But all that changed once the DJ said my name...
