

Make Some Friends

Kid Ink

I-I-ISM

Yeah

Let's make some friends (Woo)

Switch up your plans tonight (Tonight, night, night, night)

Lift up my hands (Yeah)

Forgive my sins tonight (Tonight, night, night, night)

I'm just tryna find the one that hold me down just like some kryptonite (Hey)

Light or dark, I'm mixin' liquors (Woo), give me fuckin' right

Can barely stand, lift up my hands, forgive my sins tonight

This here one night to remember ('member)

All that shit that I be doin' probably gon forget 'em

Nah, this ain't no gimmick

Room spinnin' like a fidget

Call me inker too, man tailor any time you need your fix

I got one screw loose

Doin' loops in a coupe

Blueberry soda, I mix with a deuce

Nigga, no cappin' unless it's the shrooms

Way that we eatin', ain't missing no fools

Sittin' up high with a incredible views

I had to grab it and pass my boo

She call me daddy, it's pappy to you

Let's make some friends (Woo)

Switch up your plans tonight (Yeaaaah, yeahhh)

Lift up my hands (Eh eh eh eh)

Forgive my sins tonight tonight (Woo, ooo, ooo, ooo)

I'm just tryna find the one that hold me down just like some kryptonite (Krypt!)

Light or dark, I'm mixin' liquors (Woo), give me fuckin' right

Can barely stand, lift up my hands, forgive my sins tonight

You know what we on

All the lights lookin' neon

Everything gon' be free, oh

Sucka shit, what I'm free on

Might blackout in this party

And wake up in a Bugatti (Yeah)

Mixin' water with molly (Yeah)

Got me feelin' so godly (Yeah)

Said I know the liquor ain't even to blame

Minute I thought I was feeling like Bane

We gettin' high like it's drown the pain

She want that sugar that's straight from cane

I knew the play 'fore they drew it up

She needs a chaser to chew it up

Girl, we can split it, the two of us

Who with us?

Let's make some friends (Yeah)

I brought my kin (Yeah)

Based on my limbs (Yeah)

It's kickin' in (Yeah)

Let's make some friends (Yeah)

Baby, I'm him (Yeah)
Could barely attend (Yeah)
Who want a ten (Yeah)

Let's make some friends (Go!)
Switch up your plans tonight (Yeahh yaaa)
Lift up my hands (Aye eh eh eh girl!)
Forgive my sins tonight (Woo, ooo, ooo, ooo)
I'm just tryna find the one that hold me down just like some kryptonite (Kry
pt!)
Light or dark, I'm mixin' liquors (Woo), give me fuckin' right
Can barely stand, lift up my hands, forgive my sins tonight
