

Night & Day

Kid Ink

Oh-woah (Oh, oh, oh)
(I-I-ISM)
Woo, woo, woo, woo

Hittin' on strong, got me in the zone, night and day (Night and day)
Sleep ain't long, money on the phone, night and day
You ain't tryna eat, need you please get out my way (Out my way)
Back on scene, ain't been sleep, made a play
Hittin' on strong, got me in the zone, night and day (Night and day)
Sleep ain't long, money on the phone, night and day
You ain't tryna eat, need you please get out my way (Out my way)
Back on scene, ain't been sleep, made a play

Ayy, just gassed up that rocket (Woo)
Beeline straight to the profit (Go)
Debo with the deposit (Woah)
Stuff my leaf with exotic (Yeah)
L.A. feeling so tropic (Yeah)
Big deal signed on the dotted (Ayy)
I don't bullshit, I pop it bitch (Bitch)
Most these niggas get hot and switch (What)
Most these rappers couldn't chop a brick (No)
Guess just lyin' 'bout life is lit
Tag my body, yeah, I must be it (Then I must be it)
Had my hits 'fore I got with Chris
Facts, tell 'em that we been from Hell and back
I did a lot for the game, no cap
Open up the door, I don't need nothin' back

Hittin' on strong, got me in the zone, night and day (Night and day)
Sleep ain't long, money on the phone, night and day
You ain't tryna eat, need you please get out my way (Out my way)
Back on scene, ain't been sleep, made a play
Hittin' on strong, got me in the zone, night and day (Night and day)
Sleep ain't long, money on the phone, night and day
You ain't tryna eat, need you please get out my way (Out my way)
Back on scene, ain't been sleep, made a play

Love that we done came a long way
Now I'm tryna eat this gourmet
Shawty got high off contact
'Cause I blow it all in her face
Rollie on me in season
I'm just trying to get my team some
Can't slow down, nigga, too eager
Called up T and I just re'd up, woo
Sick ass flow but I ain't catch Covid
Back outside and the city open
Walk inside and we look like cobras
Know this game, I don't need no culture
Catch up quick, I can see you coastin'
Out my lane, what the fuck you bowling
Still on stage with a gotdamn show and

Hittin' on strong, got me in the zone, night and day (Night and day)
Sleep ain't long, money on the phone, night and day
You ain't tryna eat, need you please get out my way (Out my way)

Back on scene, ain't been sleep, made a play
Hittin' on strong, got me in the zone, night and day (Night and day)
Sleep ain't long, money on the phone, night and day
You ain't tryna eat, need you please get out my way (Out my way)
Back on scene, ain't been sleep, made a play

Just gassed up that rocket
Beeline straight to the profit
Debo with the deposit
Stuff my leaf with exotic
L.A. feeling so tropic
