Kid Ink

I mean you remind me of somethin'  
I just cant think of what it is

You remind me of the fire in my gun and  
Kinda like my guitar the way ya body be strumming  
Ooohh keep it coming cause I'm in need of yaaa

Your sex, drugs and rock n roll  
Like oooohhh (I need it, I need it, I need it baby)  
Your sex, drugs and rock n roll  
Oooohhh (I need it, I need it, I need it baby)  
Your sex, drugs and rock n roll

Yea, I'm addicted to your lifestyle  
Love junkie and I need to hit you right now  
You got that right sound  
I can turn these lights down  
And play you all night  
Girl is that all right  
Me, I'm more than alright  
I'm the best at what I do that sound like your type  
And girl I'm on you like I'm white and you're rice  
Sound complicated big girl you got me faded  
You on fire baby I can ash you  
And Imma face it no never pass you  
You know I love the way that ass move  
You can tell them you wit me if they ask boo  
Keep it strummin', I, I keep it comin'  
Why I keep you comin', beat it like a drumma  
Eat it like a glutton we done got into something  
I need it I need it I want it

You remind me of the fire in my gun and  
Kinda like my guitar the way ya body be strumming  
Ooohh keep it coming cause I'm in need of yaaa

Your sex, drugs and rock n roll

Yeah, baby girl I need a fixin'  
You keep me rollin' like the sixties  
And got me open like its Christmas  
You so persistent I can't resist it  
Yea she cause that but I can risk it  
Death kiss feel the fire in her lipstick  
Might be the baddest bitch ever invented  
You might not ever see it but god as my witness  
I swear he paid attention when he came and made her  
Gotta thank the savior for doin' me this favor  
Watch out she danger she'll come with a waiver  
But I can take her but fate her  
Keep it comin', yeah I keep it flowin'  
While I keep you comin', beat it like you punished  
Eat it like I'm hungry, we done got into somethin

I need it, I need it, I want it

You remind me of the fire in my gun and  
Kinda like my guitar the way ya body be strumming
