Sunsuhameun gamyeoneuroman boine
You gotta pay for it
I miss when I was dummy like I do never for money

Funny fact, there's no Wally
World is kinda void but it's all full
'Cause of the pollies
Money doesn't make sense of happiness
We gotta know this shit
Even though people tryna defame you
They know nothin', yeah

Fuck that shit, I'm not a polly (Ooh, ooh, oh, yeah, yeah)
I just wanna live as dummy (Ooh, ooh, yeah, ooh, yeah)
