

## Flipside (Postlude)

Kid Quill

What are you getting so crazy about?  
It's just music, it's not that big a deal  
It is, don't you understand?  
This-this is important to me  
Pick a record, okay?  
What?  
Now, ask me what's on the flip side  
Why?  
Just ask me what's on the flip side. Okay?  
What is on the flip side?  
See, you don't ask me things like that  
You never ask me what's on the flip side  
No. Because I don't give a shit  
Who cares about what's on the flip side  
Of a record?  
I do  
Every one of my records means something  
The label  
The producer  
The year it was made  
Who was copying whose styles  
Who was expanding on that  
Don't you understand?  
When I listen to my records...  
...they take me back to certain points  
In my life. Okay?  
Just don't touch my records. Ever  
The first time that I met you...  
...Modell's sister's high-school  
Graduation party. Right?  
And this was playing when I walked in the door
