

Writer's Block

Kid Quill

You leave me speechless
I'm talking speechless
You leave me speechless, yeah
So let's get writer's block together, yay
Okay you leave me speechless
You make me stop in the middle of my sente-, yeah
Okay you leave me speechless, yeah
So let's get writer's block together, yeah

With you I overthink
You the Friday to my Saturday
And I don't do this might for you
And I know you like it when I sing though
So that's what I'm 'bout to do
This your song and I wrote it myself
I'ma take my time with it, I don't need help, yeah
I don't need a ghost write, no (true, true)
And I know your good side's your left side but tonight yeah we gon' be alright
Yeah, okay, your smile's your logo
Your laugh is your trademark
Your style is a statement
Can I get your business card?
Yeah, you know I'm down to put the work in
I ain't gotta see a résumé
All I want is your company
But I ain't got much to say

'Cause you leave me speechless
I'm talking speechless
You leave me speechless, yeah
So let's get writer's block together, yay
Okay you leave me speechless
You make me stop in the middle of my sente-, yeah
Okay you leave me speechless, yeah
So let's get writer's block together, yeah

With you I can't complain
You the coffee to my Monday, yeah, uh
You would brass it was all by you
And I know you liking all the wordplay
So that's what I'm 'bout to do, huh
Where I'm from they don't make 'em like you, yeah, yeah
You're the stars, you're the sun, you're the moon, yeah
Stay up all night, wake up at noon, yeah
And I know you got a lot of bad friends
But you the baddest in the group
Okay, your smile's your logo
Your laugh is your trademark
Your style is a statement
Can I get your business card?
Yeah, you know I'm down to put the work in
I ain't gotta see a résumé
All I want is your company
But I ain't got much to say

'Cause you leave me speechless

I'm talking speechless
You leave me speechless, yeah
So let's get writer's block together, yay
Okay you leave me speechless
You make me stop in the middle of my sente-, yeah
Okay you leave me speechless, yeah
So let's get writer's block together
