Yeah...Yeah
Streets of Romeo
Mt. Clemens
Detroit
All over

Now people always me and KDC

If we take this activity a seriously
I reply, with a sigh rather uniquely
And say does Donald Trump have a lotta money
Yes a stupid question, but I wont quote ya
Cause I'm the Geraldo, Philmore, Oprah
I'm the K-I-D R-O-C-K
Down with Jive, RCA
Hey how could you judge me cause what I am
Be blind to my mind
And take a look and say fuck him
Look at the black man, now what up
He's not a skin head, that's the Abdul Jabar Cut

Okay...Yeah
Like I said
Top Dog
One, two, to the three
And we always come back for more

Kenny wears a low fade
Danny wears no fade
I wear the high fade
And we all get paid
Tryin to blow my rap down the sink
But go ahead cause my rap's made of brick
And it sticks
Kicks
Hits
And uplifts
At shows, it flows but never drifts
It's too swift and moves with quickness
Top Dog again and you say what is this

Its the under rated MC on top
The young six foot one Kid Rock
Look at the black man, now what's up
He's not a skin head, that's the Abdul Jabar Cut
