

Never Quit

Kid Rock

I'm gonna dig deeper, tote guns, smoke reefer
You young punks are stunned, so I'ma gonna make you all believe
rs
You bottom feeders and social media sluts
I'm still the salt and the swing, the king of don't give a fuck
Famalam, I don't give a damn (hey)
Uncle Sam, I still love this man
Yes ma'am, I know you like it hot
So let's ride

I'ma gonna fight like a G, they all gon' see
And if I die I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone I never quit
No, I never quit

(Hey, hey)
If you're feeling funky say (hey, hey)
If you love your country say (hey, hey)
If you're making money say hey
(Hey, hey)
If you're smoking drugs (hey, hey)
If you're stoned in love (hey, hey)
Praise God above
Our Father who art in heaven

I'ma gonna fight like a G, they all gon' see
And if I die I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone I never quit
No, I never quit

I'ma gonna fight like a G, they all gon' see
And if I die I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone

I'ma gonna fight like a G, they all gon' see
And if I die I'm gonna die free
Ain't gonna run like a bitch when shit gets thick
Tell everyone I never quit
(Tell everyone) no, I never quit
(Tell everyone) no, I'll never quit
(Tell everyone) I'll never quit
(Tell everyone) I'll never quit
