

## Rain Check

Kid Rock

You know how it is  
Some guys just gotta make time to get their rocks off no matter  
what  
I'm like that  
Tearin up pussy every where i go  
I'm Kid mother fuckin Rock so what's up hoe?  
You wanna get fucked by me dick mick dangles  
Then drop your funky drawers straight down to your ancles  
And swing that big ass in my direction  
For a little safe sex for the inspection  
Cause though i'm mackin hoe's like Jyro Mackson  
I'm learnin real quick gotta wrap my johnson  
But just insace i hope your on the pill  
Cause i been known to ride a pussy like bad boy Bill  
And i hate to spill, or raise the stakes  
And nutin all up in your shit if my rubber breaks  
Now my dick rocks when i'm lickin all that gin  
So spread your phony legs and let the games begin  
Wait, hold up bitch, say what's with the bad cough  
I see ya right away, i think i'm gonna go jack off
