

She's Your Baby (Now Rock Her)

Kid Rock

Even when she's bitching and she's giving you sass
Tell her that you love her 'cause bad news travels fast

(Yeah) you better treat her right
(Yeah, yeah) and keep her warm at night
(No) amount of bars could stop her
So count your stars and thank the good Lord that you got her (boo hey)

She's your baby, now rock her, yeah
Rock her bye bye baby with me
She's your baby, now rock her, yeah
Better rock her ASAFP (oh yeah)

(No) even if she's nagging at you night and day (oh, oh, yeah)
You better circle up the wagons and don't let her slip away (woo-hoo)

(Yeah) you better treat her right now
(Yeah, yeah) you better hold on tight now
(Oh yeah) [?] could stop her
So count your stars and thank the good Lord that you got her (oh yeah yeah)

She's your baby, now rock her, yeah
Rock her bye bye baby with me
She's your baby, now rock her, yeah
Better rock her ASAFP (alright, alright)
(Yeah) you better take her dancing
(Yeah) make her the star attraction
(Yeah) you better give her what she needs
You better get her down deep in between the sheets
(Get her down deep, yeah)
Get her down deep and give her what she needs, oh yeah
